

TRIP TIPS

- WHERE?** ■ I-15 at the northbound (NB) Beck Street on-ramp to the I-215 interchange in North Salt Lake
- WHAT?** ■ Monday, October 2, construction crews will begin paving operations on I-15 from Beck Street to I-215. This work requires a single-lane closure daily from 7:30 A.M. to 4 P.M. through Wednesday, October 4. Paving will take place on the inside shoulder. This work will impact mostly NB I-15 commuters.
- Construction crews are at the north I-215 Interchange installing barriers and preparing the site for sound walls. This work will continue for approximately one month. A single lane will be closed daily from 8 AM to 4 PM on I-215.
- WHY?** ■ This area currently is a bottleneck. By widening the three existing lanes into four lanes, traffic will flow much better at peak hours.
- NOTE:** ■ Schedule is subject to change due to inclement weather or other unforeseen circumstances.
